## Pants

Drylife Pants are protective disposable pants which help effectively manage moderate to heavy incontinence while benefiting from the look and feel of real underwear. The stay dry layer is kind to skin by moving liquid away from the surface. These pants feature anti-leak guards and pull away sides for easy disposal.

With a high level of absorption, soft elasticated sides, and a comfortable waistband, Drylife Pants are the ideal choice to keep you safe and secure.

Dry feel technology keeps you feeling dry all day long.

Trustworthy security and no leakage throughout the day.

Soft and breathable material provides comfort and keeps your skin healthy.

This product does not contain latex.

## Using Drylife Pants Effectively

### The Do's

- Measure around the hips for accurate size measurement
- Pull the pants all the way up for maximum efficiency from the product
- Make sure the product is a close fit to avoid any leakage
- Tear seam down the side for easy removal of the pants

### The Don'ts

- Do not double up on pants for extra absorbency
- Do not use talc with the pants, as it will reduce the absorbency
- Do not use large quantities of cream with this product
