## Slip

The Drylife Slip is a highly absorbent all-in-one slip, with a soft, full plastic back sheet, as well as a fast acting absorbent core the user feels more comfortable and secure with high leakage security.

The all-in-ones also feature strong refasten-able tapes to help ensure the product stays securely in place, Odour Control to stop the formation of unpleasant smells, and have been dermatologically tested and proven to not irritate the skin.

Drylife Slip is the perfect, cost effective solution in managing heavy to severe levels of incontinence.

### Using Drylife Slip Super Effectively

#### The Do's

- Measure around the hips for accurate size measurement
- Make sure the product is a close fit to avoid any leakage
- Ensure tabs are sealed with top tabs pointing downward, and bottom tabs pointing upward

#### The Don'ts

- Do not double up on pants for extra absorbency
- Do not use talc with the pants, as it will reduce the absorbency
- Do not use large quantities of cream with this product

This product contains latex.

High protection against leakage.

Thoroughly tested on skin to ensure maximum comfort and health.

Absorbs liquids fast leaving you feeling dry and comfortable.
